PHOENIX - SALT RIVER PIMA MARICOPA INDIAN COMMUNITY

Day 1: Leave Phoenix and drive to Salt River Indian Community which invites you to explore the small-town feel, big-city address with over 15 attractions, and many cultural points of interest throughout the Talking Stick Entertainment District. Start with a relaxing breakfast in the warm southwestern sun while taking in picturesque mountain views. Reconnect and rejuvenate in the country's largest butterfly conservatory or book an early morning spa treatment featuring products inspired by the Sonoran Desert. If golf is more your style, tee off at one of two courses where each hole showcases views more spectacular than the last. A few minutes west are the USS Arizona Memorial Gardens at Salt River that honor the brave individuals that served aboard the USS Arizona during the attack on Pearl Harbor. The Salt River Indian Community received a large piece of the USS Arizona boat house and built the Gardens around it with over 1,500 columns representing each life stationed aboard the ship on December 7, 1941. For dinner, enjoy a hearty four-course feast while cheering on your favorite knight as six brave knights compete in games of skill astride magnificent Spanish horses at Medieval Times Dinner & Tournament.

SALT RIVER PIMA MARICOPA INDIAN COMMUNITY - SEDONA

Day 3: Depart for Sedona, the Most Beautiful Place on Earth, this morning. Sedona makes the perfect getaway to reconnect with the people who matter the most. Sedona is equal parts playground and resort; equal parts wilderness and spiritual retreat. It is a place far removed from the everyday experience. The rising columns of red rocks form a fortress that repels stress and distraction. The scenic splendor lifts hearts and ignites smiles. Sedona just seems to bring out the best in all of us. Time spent in Sedona is more than a vacation; it's also a long-term investment in wellness. Hundreds of miles of hiking and biking trails promote physical activity and a closer connection with nature. Whether hiking in the shadow of soaring monoliths, strolling along the banks of Oak Creek, soaring over iconic rock formations of Sedona, such as Cathedral Rock, Courthouse Butte and Bell Rock on a helicopter, rumbling into the outback aboard a rugged jeep, or meditating at a vortex site crackling with ancient energy, let the adventure sweep you away. Do not forget to look up at the glittering blanket of stars at night while enjoying a glass of local wine on your hotel balcony. Sedona is one of the International Dark Sky communities.

SEDONA

Day 4: Start your day at one of Sedona's Secret 7 vistas by photographing an inspiring sunrise. Sedona's Secret 7 is a compilation of seven

categories: hiking, biking, vistas, stargazing, picnics, arts and culture, and spiritual. Each category highlights seven secrets more known to locals. After a relaxing breakfast, how about exploring the arts scene of Sedona by visiting many of its art galleries or checking out the displays of public arts? If you are more intrigued by Sedona's vortex energies, a number of healing practitioners are ready to assist you on a spiritual quest. Dozens of spas offer treatments designed to restore harmony and health. Many restaurants serve delicious meals of locally sourced ingredients with vegetarian, vegan and gluten-free options. With its cowboy-style steakhouses, spicy Southwestern, elegant Italian and everything in between, Sedona has emerged as a destination for fine food. A variety of grapes grow on lush hillsides producing fine Arizona wines. Days spent among the sprawling red rock beauty are a vacation for mind, body and soul. To explore the Verde Valley region by visiting wineries and tasting rooms, to enjoying a journey on a train ride, or strolling through America's largest ghost town, you may wish to extend your stay here.

SEDONA - FLAGSTAFF

Day 5: Driving north on 89A from Sedona, through awe-inspiring Oak Creek Canyon, you'll begin to understand why Flagstaff is Arizona's destination for ALL seasons. From red rock canyons to soaring peaks (Mt. Humphreys is 12,635 feet/3,852 meters), take time to explore our wide-open spaces. On your way to a local trail, visit downtown (rated "One of the Ten Most Charming Historic Downtowns in the USA") to experience local hospitality at our restaurants, breweries, boutiques, galleries, and music venues. After a walking tour, spend the afternoon at the Museum of Northern Arizona, Riordan Mansion, or Pioneer Museum to learn about this place we call home - the Colorado Plateau. The pioneering history, Native American culture, and quest for the great outdoors makes Flagstaff a serene and nature-inspired destination. Hungry? With over 200 restaurants... from Route 66 diners, to a neighborhood Neapolitan wood-fired pizza place, to fine-dine restaurants... there's something for

everyone. But your evening isn't over yet! Visit the 127-year old Lowell Observatory, the Home of Pluto, for stargazing. Honored as the First Dark Sky City in the world in 2001, Flagstaff's nights offer clarity to view the entire solar system at 7,100 feet/2,164 meters. Nature should be sustainable, and dark sky preservation is at the forefront in creating experiences that last a lifetime.

Driving Distance: 30 MI / 49 KM

FLAGSTAFF - GRAND CANYON (SOUTH RIM) - FLAGSTAFF

Day 6: Known as the "City of 7 Wonders", Flagstaff is surrounded by 360 degrees of natural allure. After a sumptuous breakfast at perhaps Macy's European Café or MartAnne's, consider a day of forging memories by venturing out to one or more scenic wonders such as (1) Grand Canyon National Park (2) Wupatki National Monument (3) Sunset Crater Volcano National Monument (4) San Francisco Peaks (5) Coconino National Forest (6) Walnut Canyon National Monument, or, back to stunning (7) Oak Creek Canyon. All are within 90 minutes or less from downtown and each offers a unique experience and adventure. Ancient ruins and pueblos, mile-high canyons, the largest contiguous Ponderosa Pine forest in the world - all within reach. Pack a picnic lunch, rent a bike, or take a local tour. As Arizona's "Craft Beer Town", you may want to download our Craft Brewery Trail Passport and sip a few locally brewed IPAs or Golden Ales. Afterwards, take in a show at the historic Orpheum Theater, or listen to live music At a local gathering place. Whatever you choose to do, you'll be glad you visited!

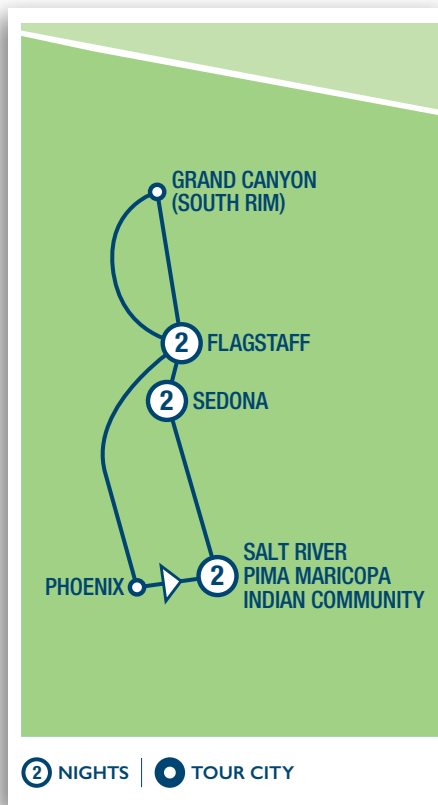

Driving Distance: 160 MI / 258 KM

FLAGSTAFF - PHOENIX

Day 7: This morning you will drive to Phoenix. Stop at Montezuma's Castle National Monument (1 hour) to see the ancient dwellings and former homes of the Sinagua people between 1100 and 1425 AD. They were a pre-Columbian culture closely related to the Hohokam and other indigenous peoples of the southwestern

United States. The main structure comprises five stories and about 45 to 60 rooms, built over the course of three centuries. After spending an hour at Montezuma's Castle National Monument, continue driving south to Cave Creek (Carefree Highway exit/turn left), a desert oasis for lunch before finishing your journey in Phoenix. Sunny days and comfortable temperatures are the rule November through April, making this time the most enjoyable and popular time of year to visit. Vacation resorts are plentiful throughout the valley and the most popular outdoor activities are golfing, hiking, hot air ballooning, day spas, and private Day Trips.
