

Try out a bit of the local culture: Art galleries and museums abound!

-
- A man with grey hair, wearing a black t-shirt, is shown in profile, focused on painting a landscape on a canvas. The painting depicts a stylized, colorful scene with a large, rounded, light-colored shape in the foreground, possibly a hill or a large object, and a tall, thin, green structure in the background. The man is holding a paintbrush in his right hand, and the canvas is mounted on an easel.

Entertainment

But don't forget the hundreds of other plays, musicals and productions year-round throughout town.

- All the world's a stage - or so it seems - with performances on campus and downtown Davis, including the Davis Musical Theatre Company (DMTC).
