## WELCOME TO **GWABI RIVER LODGE**

Gwabi River Lodge has an incredible history and was one of the first to establish and offer lodgings in the Lower Zambezi Valley. Situated along the tranquil banks of the Kafue River, a mere 6kms from the Mighty Zambezi River, Gwabi River Lodge has long been known as the Zambian lodge with a direct gateway to the Lower Zambezi.

## GWABI RIVER LODGE EXPERIENCES

Only 145kms from Lusaka, and near the Chirundu border, Gwabi River Lodge is easily accessible throughout the year and caters to all needs offering a variety of lodging accommodation options and activities to suit everyone's tastes. Whether you are looking for some R&R by the pool or adventures on the river, we will ensure it is an unforgettable experience at our river lodge.

Fishing on the Zambezi river is one of the most popular activities at Gwabi River Lodge. Headed up by an experienced member of our team, Gwabi guests have the option to hire one of our boats and try their hand – or rod – at some fishing on the River. Tiger fishing on the Lower Zambezi is one of the best in the country.

Our canoe safaris are a unique way to take in the beautiful wildlife and surrounds of the Mighty Zambezi River. Guests can enjoy from one to three days making their way down river with our trained guides. Wild camping is as rustic as it gets but an exciting adventure to always remember, spend your evenings around a campfire reminiscing on the days' sightings.
